

## Arvest Equipment Finance can help structure a commercial fleet lease tailored to meet your company's needs.

- 100% financing is available
- No mileage restrictions
- TRAC Leases
- Capital Leases
- Leases spread cost of equipment over useful or economic life of equipment
- Preserve working capital/lines of credit
- Potential tax benefits

### Types of Equipment

Vehicles:

Work Trucks

Light-Duty Pickups

Sedans

SUVs

Commercial Trailers

Commercial Fleet Leasing is a smart alternative for companies to acquire vehicles they need for everyday essential use. Whether you need light duty work trucks or company sedans or trailers, you should consider a commercial fleet lease agreement. In certain situations, we can even finance used rolling stock.

For additional information you may contact your local Arvest Bank, call (866) 745-1487 or visit us at [arvestleasing.com](http://arvestleasing.com).
