COMPONENTS COVERED

Because we cover so many components, it is not possible for us to list everything that falls under our coverage.

Instead, we list a small number of parts that are not covered: oil, brake shoes, belts, hoses, tires, tune-up items, filters, a/c coolants, exhaust and emission parts, sound reproduction, lighting, cosmetic and body parts, glass and paint. See contract for complete listing.

Route 66 Warranty has a complete line of coverage designed to keep your vehicle on the road. Even the most reliable vehicle can develop a mechanical problem. That's why so many people depend on Route 66 Warranty. No matter where you travel in the United States, we protect you against major mechanical expenses, and there is NO DEDUCTIBLE on covered parts or labor. **All of our plans come with Rental Car Allowance and 24 hour/7 days a week Emergency Roadside Service:**
